

# WINTER WITH SARTO

Sarto's 2018/2019 A/W collection has arrived in Liverpool with new cloths and new made-to-measure lines

**F**ollowing a creative year, we have built a new space in our atelier to house our new ideas and makings. We have extended our collection to include coats and accessories such as handmade ties, pocket-squares and bow-ties.

This winter demands touches of silk, dream tweed, corduroy and woollen blend fabrics, all of which we have here in Sarto. Here are our recommendations for Sarto looks this winter:

#### For Business

For a Sarto business look we propose using materials that you feel most comfortable in and that will carry you around for a whole day's work.

We can also be more versatile and create for you a look that you can easily dress-up or dress-down, by adding or removing the more formal details, driven by the moment you want to dress for. So going for a morning look, as per the Italian 'morning suit', we propose a navy jacket (perhaps the most all-round jacket style) on a dream tweed cloth by Loro Piana, with a twill white shirt on a 4.0 cm classic collar, woollen stripe tie and grey trousers of winter tropical weave cloth by Vitale Barberis Canonico.

#### Corduroy

The Corduroy suit is a new entry in our tailoring look-books – making a comeback as a trend but also very convenient in the British weather. Our Sarto collection combines cotton and silk cloths by Pontoglio 1883 'made in Italy'.

#### Overcoats

The Sarto Overcoats come as a new service in our atelier. Wool, cashmere and water resistant cloths that create eye catching pieces, and so soft you'll never want to take them off.
